## Project Description

Do you read in one or more East Asian languages? Are you interested in learning more about the wide variety of think tanks and companies in the region? We are seeking interns to identify and write overview reports on civic institutions and companies in over a dozen East Asian countries. Topics of interest: What are these institutions' top priorities? How do they research their reports. This will be a great opportunity for someone who is interested in political science research and methodologies and developing their East Asian regional expertise.
